### Kings Coronation Celebrations

The day finally arrived and residents and staff were so excited to celebrate the coronation of King Charles III. Our day kicked off with a full English breakfast. Then our residents gathered around every television they could to watch the pomp, ceremony and splendour of a magnificent historical occasion. Next there was a splendid banquet fit for a king. Later friends and family gathered to join in with the fun and games and live entertainment.

A massive thank you to our staff, residents and friends for making it a day that will never be forgotten.

### Recent Activities

### Teamwork

Participating in activities that bring joy and purpose to our lives is essential for our overall wellbeing. Many hands make light work when it comes to making seed balls for the local birds who like to visit our garden. There will be no hungry birds in Sale now!

Being able to participate in activities and events in and around the local community is a great aspect of moving into a care home. Some of our residents like to go out into the community whether it be a day centre to meet up with friends or an afternoon out with relatives. We understand the importance of fostering a sense of belonging and connection within our residents. We take great pride in supporting their participation in local activities that promote happiness and fulfillment.
