Best wishes,

Chelle Daly Interim Home Manager

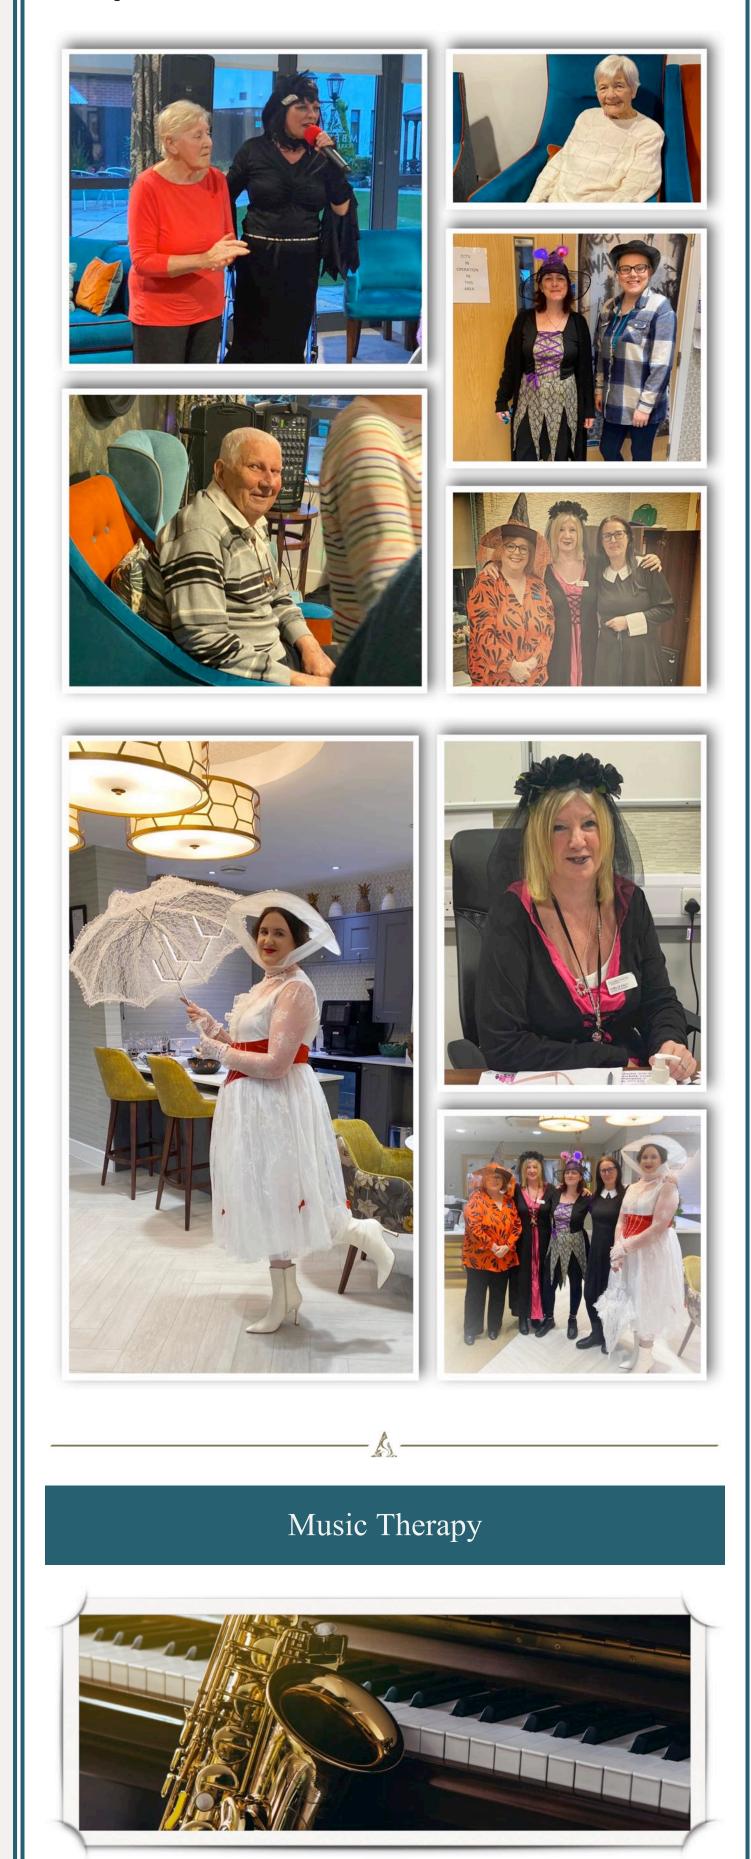

Spooky Season

ß-

The second half of October was dedicated to embracing all things spooky! Our home was transformed with decorations, and we enjoyed taking part in various Halloween-themed activities and crafts.

It was an exciting time for everyone, as we indulged in the festivities and had a lot of fun together.

We believe that music plays an important role in enhancing the quality of life of our residents and we are committed to providing opportunities for them to enjoy it in a variety of ways. At Amberley Care Home, we offer Music Therapy sessions once a week, which are always well-received by our residents.

The sessions are held in both one-on-one morning sessions and group sessions in the afternoon, providing a range of options to cater to different preferences and needs.

Family members also like to play a little music when they visit, especially our piano...

Caitlin Straughan - Team Leader

-A

"I came to Amberley from a mental health residential care home where I acted in

the capacity as a Deputy Manager of the service. I take a keen interest in ensuring all residents receive a high quality of care and that they have a voice in the care they receive."
