

INTRODUCTION

Message From Our Manager

As we look back over the past few months, it has been a busy and meaningful time here at Amberley. From music therapy and creative sessions to festive celebrations and everyday moments of connection, there has been a great deal happening across the home.

I am incredibly proud of our team for the care and dedication they show each day, and equally proud of our residents for the warmth, humour and spirit they bring to our community. It is these shared experiences, both big and small, that make Amberley such a special place to live and work.

Thank you to our families and friends for your continued support. I hope you enjoy reading about what we have been up to.

If you know someone who would like to receive our email newsletters/updates just let us know, or forward them the newsletter sign up link below:

Tsitsi Shanyurai
Home Manager

ACTIVITIES & EVENTS

Music Therapy at Amberley

We are proud to offer music therapy here at Amberley, providing a meaningful and personalised experience for our residents.

Our music therapist, Debbie, brings warmth and understanding to every session. During her one-to-one sessions in the morning, she creates a calm and supportive space where residents can express themselves through music. Whether through singing, listening, rhythm or gentle conversation, each session is tailored to the individual. For some residents, music provides a way to share memories and emotions that may be difficult to put into words.

In the afternoon, Debbie leads a group music session which brings residents together in a relaxed and welcoming setting. Everyone is encouraged to join in, and support is available so that no one misses out. These sessions help build connections, encourage confidence and lift spirits.

Music has a remarkable way of reaching people, and we feel fortunate to have such valuable therapy as part of daily life at Amberley.

Thank You Gail

We would like to extend our thanks to Gail for her dedication to our weekly flower arranging sessions.

Her patience and encouragement make each session enjoyable and accessible. The finished arrangements bring colour and warmth to the home, and residents take great pride in their creations.

Gail's contribution makes a genuine difference to life at Amberley, and we are very grateful for the time and care she gives.

A Warm Welcome to Our New Hairdresser

We recently welcomed our new hairdresser, and it has been a very positive addition to the home.

The salon has been busy with residents enjoying relaxing hair washes and freshly styled cuts. From the moment they sit in the chair to the final look in the mirror, each appointment has been carried out with care and attention.

It has been wonderful to see residents feeling pampered and confident, whether choosing a new style or refreshing a familiar one. A fresh haircut can make a real difference, and we look forward to many more salon days ahead.

FESTIVE CELEBRATIONS

Christmas at Amberley

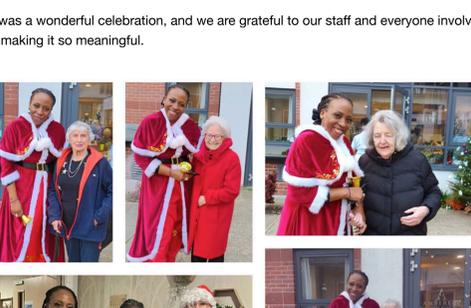

We enjoyed a very special Christmas here at Amberley, filled with warmth and togetherness.

On Christmas Eve, we held our much-loved closed Christmas event, creating a cosy and festive atmosphere throughout the home. Residents took part in a carol service, and later a small group gathered outside by a toasty fire to sing carols under the winter sky. Those who preferred to remain indoors were able to enjoy the celebrations comfortably, ensuring everyone felt included.

A highlight of the evening was a performance from our Home Manager, Tsitsi, whose singing added something truly memorable to the occasion.

Christmas Day was equally special. We were delighted to welcome Father Christmas, who visited every resident individually to hand out presents and spend time with them. Seeing the smiles and enjoyment on residents' faces made it a day to remember.

It was a wonderful celebration, and we are grateful to our staff and everyone involved in making it so meaningful.

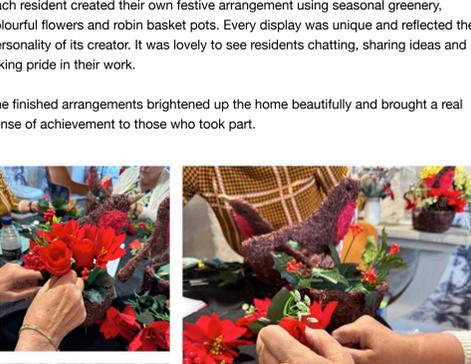

Festive Flower Arranging

On 12th December, residents enjoyed a Christmas-themed flower arranging session which filled the home with creativity and seasonal cheer.

Each resident created their own festive arrangement using seasonal greenery, colourful flowers and robin basket pots. Every display was unique and reflected the personality of its creator. It was lovely to see residents chatting, sharing ideas and taking pride in their work.

The finished arrangements brightened up the home beautifully and brought a real sense of achievement to those who took part.
